FAQS

Do I need a referral?

Since we are considered primary health care providers, you do not need a doctor's referral to see a physiotherapist. However, if you need to see us under **Medicare**, you will require a plan from your regular GP. This will ensure that you get a rebate of \$56 from Medicare. You will also need a referral and an approved claim number if you are seeing us under the Workers Compensation, CTP, DVA, NDIS or Aged Care Scheme.

How much does it cost?

Initial Consult: **\$87.50**
Follow Up Consult: **\$79.50**
Extended Consult for Multiple Injuries (3 or more complex injuries): **\$197.50**
Telehealth Consultation: **\$65**
Workers Compensation , CTP, NDIS, DVA and Aged Care: **No payments required**
Medicare/EPC: **Bulk billing available**
\$70 for a full consult (\$56 Medicare rebated into your bank account)
